

ORDINANCE NO.: 07-O-05
SPONSOR: MR. LEE
INTRODUCED: JUNE 6, 2007

AN ORDINANCE TO ENACT COMPREHENSIVE RIGHTS OF WAY REGULATIONS FOR THE CITY OF NEW FRANKLIN AND DECLARING AN EMERGENCY.

WHEREAS, the world of telephone, cable and competitive video service, broadband and internet service is changing at a rapid pace; and

WHEREAS, it is important that municipalities have legislation in place to assist in the regulation of these technologies within the community; and

WHEREAS, enacting a Comprehensive Right of Way Ordinance that sets forth regulations for use of municipal right-of-ways is a necessary tool for this purpose.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NEW FRANKLIN, COUNTY OF SUMMIT, AND STATE OF OHIO, THAT:

SECTION ONE:

- a) The purpose of this Ordinance is to provide requirements for the use or occupation of any and all Rights of Way and Public Property in the City, the issuance of Permits to Persons for such use or occupancy and to set forth the policies of the City related thereto.
- b) This Ordinance does not take the place of any franchise, license, or permit which may be additionally required by law. Each Permittee shall obtain any and all such additional franchises, licenses, or permits necessary to the operations and conduct of its business.
- c) No Person shall use, occupy, own or operate facilities in, under, or over any Right of Way within the City unless such Person first obtains a Franchise and/or Permit conforming to the requirements set forth by law and in this Ordinance.

d) The policy of the City with regard to Rights of Way is hereby declared to be:

- 1) To promote public safety and protect public property;
- 2) To promote the efficient utilization of Rights of Way for the public health, safety, and welfare.
- 3) To assure that Rights of Way are environmentally and aesthetically protected;
- 4) To promote economic development in the City;
- 5) To promote the availability of a wide range of utility, communication and other services, including the rapid deployment of new technologies and innovative services, to the City's citizens and taxpayers at reasonable rates;
- 6) To promote cooperation among the City and Franchisees and Permittees in the occupation of Rights of Way, and work therein, in order to minimize public inconvenience during work in the Rights of Way and to avoid uneconomic, unneeded, and unsightly duplication of facilities;
- 7) To ensure adequate public compensation for the administration of the regulation of the private use of the Rights of Way; and
- 8) To promote and require reasonable accommodation of all uses of Rights of Way and to establish the following priority of use of Rights of Way, when all requested usage of Rights of Way by Permittees cannot be accommodated:
 - A. The City;
 - B. Another governmental entity with City's concurrence of other uses required by law;
 - C. Utility Companies;
 - D. Telecommunications, General Permittees and Franchisees;
 - E. Special Permittees; and
 - F. Residential Permittees; provided, however that the Service Director may reasonably require Right of Way Permittees and Franchisees to cooperate to accommodate use by other Permittees and Franchisees and provided further that the Service Director may alter this priority when the Service Director reasonably determines a deviation to be in the public interest.

- e) Nothing in this Ordinance shall be construed to apply the provisions of this Ordinance to facilities owned or operated by the City of any of its operations.
- f) Unless otherwise specifically stated in a Permit, all Permits of Franchises granted hereunder shall be nonexclusive.

SECTION TWO: DEFINITIONS.

For purposes of this Ordinance, the following terms, phrases, words, and their derivations shall have the meanings given herein. When not inconsistent with the context, words used in the present tense include the future tense, words in the plural number include the singular number, and words in the singular number include the plural number. All capitalized terms used in the definition of any other term shall have their meaning as otherwise defined in this Section. The words "shall" and "will" are mandatory and "may" is permissive. Words not defined shall be given their common and ordinary meaning.

- a) "Applicant" means any Person applying for a Permit hereunder.
- b) "Approved" means approval by the City pursuant to this Ordinance or any Regulations adopted hereunder.
- c) "Best Efforts" means the best reasonable efforts under the circumstances, taking into consideration, among other appropriate matters, safety, expedition, available technology and human resources and cost.
- d) "Cable Operator" has the same meaning as in section 2 of the "Cable Communication Policy Act of 1984." - 98 Stat. 2779, 47 U.S.C.A. 522, as amended.
- e) "Cable Television Service" means any transmission of video or other programming service to subscribers and any subscriber interaction required for the selection of that video or other programming service.
- f) "Ordinance" or "this Ordinance" means this Ordinance, as amended from time to time and any Regulations adopted hereunder.

- g) "City" means the City of New Franklin, Ohio, or as appropriate in the case of specific provisions of the Ordinance, any board, bureau, authority, agency, commission, department of, or any other entity of or acting on behalf of, the City of New Franklin, or any officer, official, employee, representative or agent thereof, the designee of any of the foregoing, or any successor thereto.
- h) "Contractor" means any individual or company performing or subcontracting to perform the construction or installation of the facilities needed for the rendering of the services being provided by the permittee or franchisee.
- i) "Council" means the Council of the City of New Franklin, Ohio.
- j) "Director" means the Service Director of the City of New Franklin, Ohio.
- k) "Emergency" means any situation, occurrence, or happenstance that requires and demands immediate attention for the correction, maintenance, or reinstallation of the service provided by the permittee or franchisee to correct or prevent any imminent danger to the safety, health, and welfare to the public.
- l) "Force Majeure" means a strike, acts of God, acts of public enemies, orders of any kind of government of the United States of America or of the State of Ohio or any of their departments, agencies, or political subdivisions, riots, epidemics, landslides, lightening, earthquakes, fires, tornadoes, storms, floods, civil disturbances, explosions, partial or entire failure of utilities or any other cause or event not reasonably within the control of the disabled party, but only to the extent the disabled party notifies the other party as soon as practicable regarding such Force Majeure and then for so long as and to the extent that, the Force Majeure prevents compliance or causes noncompliance with the provisions hereof.
- m) "Franchise" means the nonexclusive right pursuant to the Constitution and laws of Ohio and/or the United States, granted by the City to operate or provide cable television or services to consumers within the City.

- n) "Permit" means the nonexclusive grant of authority to use or occupy all or a portion of City's Rights of Way granted pursuant to this Ordinance.
- o) "Permittee" means any person issued a permit pursuant to this Ordinance to use or occupy all or a portion of the Rights of Way in accordance with the provisions of this Ordinance and said Permit.
- p) "Person" means any natural person or any association, firm, partnership, joint venture, corporation, or other legally recognized entity, whether for-profit or not-for-profit.
- q) "Public Property" means any real property, other than Right of Way, owned by the City.
- r) "Public Way" means any public street, road, highway, public easement, or public waterway, and includes the entire width of any Right of Way associated with any public way.
- s) "Regulation" means any rule adopted by and pursuant to the authority of this Ordinance.
- t) "Residential Related Purposes" shall mean residential use of Right of Way for mailboxes, decorative purposes, curb cuts, driveways, irrigation systems and other uses permitted in the Right of Way by ordinance.
- u) "Right of Way" means the surface of and the space above and below any public street, public road, public highway, public freeway, public lane, public path, public way, public alley, public court, public sidewalk, public boulevard, public parkway, public drive or any public easement or Right of Way now or hereafter held by the City which shall, within its proper use, entitle a Permittee or Franchisee, in accordance with the terms hereof and of any Permit, to the use thereof for the purpose of installing or operating any poles, wires, cables, transformers, conductors, ducts, lines, mains, conduits, vaults, manholes, amplifiers, appliances, attachments or other property or facilities as may be ordinarily necessary and pertinent to the provision of utility, cable television, communications, or other services as set forth in any

Franchise or any Permit. Right of Way shall also include Public Property, but only to the extent the use or occupation thereof is specifically granted in a Permit or by Regulation.

- v) "Telecommunication" means the transmission, between or among points specified by the user, of information of the user's choosing, without change in the form or content of the information as sent and received.
- w) "Telecommunication Service" means the offering of telecommunications for a fee directly to the public, or to such classes of users as to be effectively available directly to the public, regardless of the facilities used.
- x) "Utility" means water, electric, storm sewer, sanitary sewer services, and the companies or agencies providing said service.
- y) "Utility Service Provider" means a natural gas company, local exchange telephone company, interexchange telecommunications company, electric company, or any other person that occupies a public way to deliver natural gas, electric, or telecommunications services.

**SECTION THREE: TYPES OF PERMITS OR FRANCHISES:
GRANT OF AUTHORITY.**

- a) The following type of Permits and Franchises are available:
 - 1) Cable Television Franchise - granted to providers of Cable Television Service;
 - 2) Telecommunication and Utility Permit - Permit granted to Persons who desire and are granted authority to utilize Rights of Way to provide a public utility and/or telecommunications service, other than Cable Television Service.
 - 3) Special Permit - Permit granted to Persons for a specific, limited use of the Rights of Way or a specific portion thereof; and
 - 4) Residential Permit - Permit granted to an adjacent or proximate residential landowner to occupy or use a portion of the Right of Way for Residential Related Purposes.

- b) All Permits shall specify the use or uses for which such Permits or Franchises are granted and contain such other nondiscriminatory terms and conditions as are appropriate and as are set forth in this Ordinance or conditions negotiated and agreed to by the City and the Permittee to provide for the public safety or welfare.
- c) Permits and the rights of Permittees thereunder are not transferable without the express written approval of the City.

SECTION FOUR: PROCEDURES FOR PERMITS: TERMS.

- a) Applicants for Cable Television Franchises shall be granted a Cable Television Franchise pursuant to applicable federal, state and local laws and regulations; provided, however, that a Cable Franchise shall only entitle the Franchisee to utilize the Rights of Way for purposes directly related to the provision of the Cable Television Service. Any other Right of Way use by such Franchisee shall require a separate Permit.
- b) Applicants for Telecommunication and Utility Permits, or renewals thereof, shall file an application therefor, in such form as the Director may require, along with an application fee. The Director shall determine if the application is in order in accordance with the criteria set forth in Section Five and shall make a final determination within sixty (60) days after the date the permit is applied for as to whether or not such Permit should be granted and, if so, upon what terms and conditions.
- c) Applicants for Special Permits, or renewals thereof, shall file an application therefor, in such form as the Director requires along with an application fee. The Director shall determine if the application is in order and if so, and if the Director also finds, in accordance with the criteria set forth in Section Five that the application should be granted, the Director shall grant or renew such a Permit within sixty (60) days after the date the permit is applied for. The terms of such Permits shall be determined by the Director but shall in no event exceed ten years.
- d) Applicants for Residential Permits shall file an application therefore, in such form as the Regulations require, along with an application fee. The Director, or the Director's designate, shall determine if the application is in order and, if so, shall grant the application within sixty (60) days

after the date the permit is applied for, so long as the Director also finds, in accordance with the criteria set forth in Section Five (c), that the application should be granted. Residential Permits shall be valid until canceled by the Director upon sixty (60) days written notice to the Permittee; provided, however, that upon a finding by the Director that an emergency exists the Director may cancel any such Permit upon such lesser notice as is necessary under the circumstances.

- e) Any Applicant may appeal the failure of the Director to grant a Permit or to recommend it to be granted upon terms and conditions acceptable to the Applicant. In order to perfect such an appeal, the Applicant shall file, within ten (10) days of the Director's Determination or recommendation or ninety (90) days of the filing of the application if the Director has taken no action, an appeal to Council. Council shall then review the matter and render a final determination after affording the Applicant an opportunity to be heard either in person or writing. Except to the extent otherwise appealable by law, City Council's decision shall be final

SECTION FIVE: CRITERIA FOR GRANTING PERMITS OR FRANCHISES.

- a) Cable Television's Franchise shall be granted pursuant to applicable federal, state and local laws and regulations.
- b) Telecommunications and Utility and Special Permits shall be granted to Persons based upon a determination that the following criteria are met:
 - 1) The granting of the Permit will contribute to the public health, safety, or welfare of the City;
 - 2) The granting of the Permit will be consistent with the policy of the City as set forth in this Ordinance;
 - 3) That the Permittee has and will continue to have liability insurance, which names the City as an additional insured, in effect in such amounts and for such liability as the City may require or be self-insured pursuant to the terms of this Ordinance; and
 - 4) That the Applicant is a proper Person to hold a Permit and will fulfill all its obligations hereunder.

- c) Residential Permits shall be granted if not inconsistent with the public health, safety, and welfare.

**SECTION SIX: OBLIGATION OF PERMITTEES AND FRANCHISEES:
CONDITIONS OF PERMITS AND FRANCHISES.**

- a) In addition to the other requirements set forth herein each Telecommunication and Utility and Special Permittee shall:
 - 1) Use its Best Efforts to cooperate with other Franchisees and Permittees and the City for the best, most efficient, most aesthetic and least obtrusive use of Rights of Way, consistent with safety, and to minimize traffic and other disruptions including street cuts;
 - 2) Participate in joint planning and advance notification of Right of Way work, excepting such work performed in emergencies of other exigent circumstances;
 - 3) Cooperate with other non-Residential Permittees and Franchisees in utilization of, construction in and occupancy of private Rights of Way, but only to the extent the same is not inconsistent with the grant thereof or state or federal law;
 - 4) Upon written notice of, and at the direction of the Director and at the Permittees' sole cost, promptly remove or rearrange facilities as necessary, e.g., during any construction, repair or modification of any street, sidewalk, City utility or other governmental uses, or if additional or subsequent City or other public uses of Rights of Way are inconsistent with then current uses of Franchisees and Permittees or for any other reasonable cause as determined by the Director.
 - 5) All Persons granted a Permit on or after the effective date of this Ordinance shall provide maps or other information in such form and at such times as the City may reasonably require. Said maps and information shall locate, describe and identify all structures and facilities of such Permittee, of and in the Rights of Way;
 - 6) Perform all work, construction, maintenance or removal of structures and facilities within the Right of Way in accordance with good engineering and construction practice, including any appropriate safety codes and in accordance with the Best Efforts to repair and replace any street, curb or other portion of the Right of Way, or facilities or structure located therein, to a condition

materially equivalent to the condition prior to such work, and to do so in a manner which minimizes inconvenience to the Public, the City and other Franchisee and Permittees, all in accordance with all applicable Regulations;

- 7) Register with all appropriate underground reporting services; and
- 8) Unless otherwise set forth in a Permit, not enter into leases or other agreements for physical space in or on Permittee's facilities located within the Rights of Way without prior notification and approval of the City. Such notice to include a general description of the uses to be made of the facilities, which said user may require a separate permit.

b) Construction and Technical Standard.

- 1) Upon grant of the Permit and in order to construct, operate, and maintain a telecommunication system or utility in the City, the Permittee may enter into contracts with any public utility companies or any other owner or lessee of any poles or underground areas located within or without the City; obtain right-of-way permits from appropriate City, State, County, and Federal officials necessary to cross or otherwise use highways or roads under their respective jurisdiction; obtain permission from the Federal Aviation Administration to erect and maintain antennas; and obtain whatever other permits a City, County, State, or Federal agency may require.
- 2) In those areas of the City where telephone and electric services are provided by underground facilities, all new facilities shall be placed underground. In all other areas, the Permittee, upon request of the City, shall use its Best Efforts to place facilities underground. However, the term facilities as used in the preceding sentence shall not include equipment which is customarily placed on or above the ground in conjunction with underground transmission facilities (e.g., splice and terminal pedestals, equipment cabinets and transformers.) Where not otherwise required to be placed underground by this Ordinance, the Permittee's system shall be located underground at the request of the adjacent property owner, provided the placement of such system shall be consistent with the Permittee's construction and operating standards and provided that the excess cost over the

aerial location shall be borne by the property owner making the request. All cable to be installed under the roadway shall be installed in conduit which shall be approved by the City. In no circumstance shall new poles be located in any area of the City where it is not replacing an existing pole without written approval of the Director, which shall not be unreasonably withheld.

- 3) Permittee shall construct, install, operate, and maintain its system in a manner consistent with all laws, ordinances, construction standards, governmental requirements, FCC technical standards, and those standards are incorporated by reference herein. The system shall be designed, constructed, operated, and maintained 24 hours a day in continuous operation.
- 4) The Permittee shall comply with the City's normal permitting process prior to commencing any work in the Right of Way except for emergencies and otherwise as provided in this Ordinance. No work in the Rights of Way shall be commenced until such time as any and all required permits have been issued by the City. The City shall not unreasonably withhold the granting of any permit.
- 5) Any contractor proposed for work of construction, installation, operation, maintenance, and repair of system equipment must be properly licensed under all applicable governmental laws. The Contractor's or Permittee's system and associated equipment erected by the Contractor or Permittee within the City shall be so located as to cause minimum interference with proper use of streets, alleys, and other public ways and places, and to cause minimum interference with the rights and reasonable convenience of property owners who adjoin any of the said streets, alleys or other public ways and places. No pole or other fixtures placed in any public ways by the Permittee shall be placed in such a manner as to interfere with normal travel on such public way.
- 6) The City does not guarantee the accuracy of any maps showing the horizontal or vertical location of existing substructures. In public right-of-way, where necessary, the location shall be verified by excavation.
- 7) Construction, installation, operation, and maintenance of the utility or telecommunications system shall be performed in an orderly and workmanlike manner, in accordance with the Contractor's or Permittee's then current corporate construction

and maintenance practices. When consistent with the safety codes and standards set forth in Section Six (b)(8), cables and wires shall be installed, where possible, parallel with electric and telephone lines. Multiple configurations shall be arranged in parallel and bundled with due respect for engineering considerations.

- 8) The Contractor and Permittee shall at all times comply with applicable National Electrical Safety Code (National Bureau of Standards); applicable National Electrical Code (National Bureau of Fire Underwriters); and applicable FCC or other Federal, State, and local regulations; and standards set forth in the Permit.
- 9) In any event, the system shall not endanger or interfere with the safety of persons or property in the Permit area or other areas where the Contractor or Permittee may have equipment located.
- 10) All worker facilities, conditions, and procedures that are used during construction, installation, operation, and maintenance of the utility or telecommunications system shall comply with the applicable standards of the Federal Occupational Safety and Health Administration.
- 11) The Franchisee or Permittee shall provide either a Performance Bond (or self bonding by Permittee having capitalization in excess of fifty million dollars (\$50,000,000), as determined by the Director), an Irrevocable Letter of Credit acceptable to the City or a Certified check in an amount determined by the Director to pay the cost of restoration of the Right of Way should the Permittee fail to perform restoration required by this Ordinance or the Permit or to pay for the cost of removal or relocation of the system required by this Ordinance should the Franchisee or Permittee fail to perform said removal or relocation.

c) Right of Way Work Permit Required.

- 1) All Permittees shall obtain a Right of Way Work Permit from the Director prior to beginning the erection, installation, or maintenance including tree trimming, of any lines or equipment. Prior City approval shall not be required for emergency repairs; operations requiring work outside the public Right of Way; and operations not blocking any street or alley or materially disrupting any landscaping, structures, and/or irrigation system. The Permittee, and/or its subcontractors, shall leave the streets, alleys,

and other public places where such work is done in as good condition or repair as they were before such work was commenced and to the reasonable satisfaction of the City. Such Right of Way Work Permit shall be issued in writing and is subject to conditions that may be attached by the Director including, but not limited to, requirements concerning traffic control, safety, scheduling of work and restoration, notification of adjoining property owners, and restoration time and type of seed, sod or specific plant materials as directed by the City of New Franklin. The Permittee, and/or its subcontractors, shall complete final restoration and/or repairs to the Right of Way in a timely manner. All workmanship and materials used by the Permittee, and/or its subcontractors, to repair the streets and roadways shall be subject to the inspection and approval of the Director or his authorized agent and shall be warranted for a period of one (1) year from the date of completion for failure due to workmanship or quality of materials.

SECTION SEVEN: FEES.

The following fees are hereby established:

- a) Application Fee. The purpose of the application fee is limited to the recovery of the direct increment or cost incurred by the City in inspecting or reviewing any plans and specifications and in granting the associated permit.
 - 1) Telecommunication and utility permittees shall pay an application fee determined by the following:
 - A. Permittee proposing to utilize equal to or greater than twenty (20) miles of right-of-way shall pay an application fee of Four Hundred Dollars (\$400.00).
 - B. Permittee proposing to utilize less than twenty (20) miles of right-of-way shall pay an application fee of Two Hundred Dollars (\$200.00).
 - 2) Special permittees proposing to use the right-of-way shall pay an application fee equal to ten cents (10¢) per lineal feet used or occupied.
 - 3) Residential permittees shall pay no application fee but shall be required to make application for and receive approval of the use of the right of way.

- b) Right of Way Excavation Work Permit Fee.
- 1) Permittees shall make application for an excavation work permit for each street opening, cut or bore and shall post a performance bond in the amount determined by the Director unless said fee and/or bond is waived by the Director. The fee for an excavation work permit shall be Fifty Dollars (\$50.00).
 - 2) Said fees are payable at the time the notice set forth in Section Eight is filed. Fees for work done without a Section Eight prior notice shall be made within seven (7) business days of the initiation of any such work.
 - 3) Said permit shall serve as Permittee's Right of Way Work Permit.
- c) Right of Way Work Permit Fee. There shall be no fee for a Right of Way work permit when the work being performed involves no excavation, cutting, or boring of the Right of Way but does involve activities listed in Section Six (c).

SECTION EIGHT: NOTICE OF RIGHT OF WAY WORK: JOINT PLANNING.

- a) All applicants for Right of Way Work Permits under Section Six of this Ordinance shall file a written notice with the Director at least seven (7) days before working in or on the Right of Way, unless waived by the Director, except in the case of emergency as determined by the Director. In addition to such other information this Ordinance shall require, this notice shall contain or indicate, to the extent applicable:
- 1) The Right of Way affected;
 - 2) A description of any facilities to be installed, constructed, or maintained;
 - 3) Whether or not any street will be opened or otherwise need to be restricted, blocked or closed;
 - 4) An estimate of the amount of time needed to complete such work;
 - 5) A description and timetable of any remedial measures planned to close any street opening or repair any damage done to facilitate such work;

- 6) A statement verifying that other affected or potentially affected Permittees and Franchisees have been notified; and
 - 7) A statement that any consumers of any utility, cable television, communications, or other service which will be adversely affected by such work have been or will be notified in conformance with applicable rules and regulations of the Public Utilities Commission of Ohio.
-
- b) All applicants for Right of Way Permits under Section Six shall submit a bond guaranteeing completion of all restoration work as required by the Director unless said bond requirement is waived by the Director.
 - c) Permittees may, under emergency or other exigent circumstances, work in the Right of Way so long as the Permittees use best efforts to provide the City the notice required by Section Eight at the earliest possible time.

SECTION NINE: USE OF PERMITTEE FACILITIES.

The City shall have the right to install and maintain, free of charge, upon any poles and within any underground pipes and conduits or like facilities of any Telecommunication and Utility or Special Permittee, communications Facilities ("City Facilities") solely for governmental use desired by the City unless (i) such installation and maintenance unreasonably and materially interferes with existing and future operations of the Permittee, or (ii) that such installation and maintenance would be unduly burdensome to such Permittee. Each Permittee and Franchisee shall cooperate with the City in the planning and design of its facilities so as to accommodate the City's reasonably disclosed governmental requirements. Neither the City Facilities nor the capacity of bandwidth thereon shall be leased, licensed or otherwise made available to third parties. The City's right to use and/or occupy a Permittee's conduit shall be limited to the right to occupy a single innerduct in any given conduit and a single attachment to any given pole. The City's right to use and occupy a Permittee's poles or conduit shall be subject to any and all reasonable terms and conditions the Permittee requires of other third party users of its poles and conduit. The City shall pay the Permittee the reasonable cost to make the poles or conduit ready for the City's use and occupancy. Nothing herein shall be construed to require a Permittee to Construct poles or conduits where none exist or to rearrange, modify or alter its facilities on a pole of conduit in order to provide space for City Facilities where space is not otherwise available.

SECTION TEN: INDEMNIFICATION.

- a) To the fullest extent permitted by law, all telecommunication and utility Permittees shall, at their sole cost and expense, fully indemnify, defend and hold harmless the City, its officers, public officials, boards and commissions, agents, and employees from and against any all lawsuits, claims (including without limitation worker's compensation claims against the City or others), causes of actions, actions, liability, and judgements for injury or damages (including but not limited to expenses for reasonable legal fees and disbursements assumed by the City in connection therewith):
 - 1) To persons or property, in any way arising out of or through the acts or omissions of Permittee, its subcontractors, agents or employees attributable to the occupation by the Permittee of the Right of Way, to which Permittee's negligence shall in any way contribute, and regardless of whether the City's negligence or the negligence of any other party shall have contributed to such claim, cause of action, judgment, injury or damage.
 - 2) Arising out of any claim for invasion of the right of privacy, for defamation of any person, firm or corporation, or the violation or infringement of any copyright, trademark, trade name, service mark or patent or any other right of any person, firm and corporation by the Permittee, but excluding claims arising out of or related to City programming.
 - 3) Arising out of Permittee's failure to comply with the provisions of any federal, state, or local statutes, ordinances or regulations applicable to Permittee in its business hereunder.

- b) The foregoing indemnification is conditioned upon the City:
 - 1) Giving Permittee prompt notice of any claim or the commencement of any action, suit or proceeding for which indemnification is sought;
 - 2) Affording the Permittee the opportunity to participate in and fully control any compromise, settlement, or other resolution or disposition of any claim or proceeding subject to indemnification;and

- 3) Fully cooperating in the defense of such claim and making available to the Permittee all pertinent information under the City's control.
- c) The City shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof, and the Permittee shall pay the reasonable fees and expense of such separate counsel if employed with the approval and consent of the Permittee or if representation of both Permittee and the City by the same attorney would be inconsistent with accepted canons of professional ethics.
 - d) Each Permittee shall maintain insurance coverages (or self-insurance coverage by Permittees having capitalization in excess of Fifty Million Dollars (\$50,000,000.00), as determined by the Director) in accordance with the following:
 - 1) General Liability Insurance. The Permittee shall maintain, and by its acceptance of any franchise granted hereunder specifically agrees that it will maintain throughout the terms of the Permit, general liability insurance insuring the Franchisee in the minimum of:
 - A) \$1,000,000 per occurrence;
 - B) \$2,000,000 annual aggregate;
 - C) \$1,000,000 excess general liability per occurrence and annual aggregateSuch general liability insurance must be written on a comprehensive coverage form, including the following: premises/operations, explosion and collapse hazard, underground hazard, products/completed operations hazard, contractual insurance, broad form property damage, and personal injury.
 - 2) Automobile Liability Insurance. The Permittee shall maintain, and by its acceptance of any Permit granted hereunder specifically agrees that it will maintain throughout the term of the Permit, automobile liability insurance for owned, non-owned, or rented vehicles in the minimum amount of:
 - A. \$1,000,000 per occurrence; and
 - B. \$1,000,000 excess automobile liability per occurrence.
 - 3) Worker's Compensation and Employer's Liability Insurance. The Franchisee shall maintain and by its acceptance of any Franchise

granted hereunder specifically agrees that it will maintain throughout the term of the Franchise, Worker's Compensation and employer's liability, valid in the State of Ohio, in the minimum amount of:

- A. Statutory limit for Worker's Compensation;
- B. \$1,000,000 for employer's liability per occurrence; and
- C. \$1,000,000 excess employer liability.

SECTION ELEVEN: REMOVAL OF FACILITIES.

- a) In the event any non-Residential Permittee intends to remove, excluding normal repairs and maintenance, or abandon any facilities within the Right of Way, such Permittee shall submit a notice to the Director describing the portion of the facilities to be removed or abandoned and the date of removal or abandonment, which date shall not be less than thirty (30) days from the date such notice is submitted to the Director. The Permittee may not remove, destroy or permanently disable any such facilities after such notice without the written approval of the Director. The Permittee shall remove and secure such facilities as set forth in the notice unless directed by the Director to abandon such facilities in place.
- b) Upon such abandonment the City may elect to accept title to the abandoned facility. Such acceptance shall be in writing and upon such acceptance, full title and ownership of such abandoned facilities shall pass to the City without the need to pay compensation to the Permittee or Franchisee. The Permittee shall, however, continue to be responsible for all taxes on such facilities or other liability associated therewith, until the date the same was accepted by the City.

SECTION TWELVE: REMEDIES AND REVOCATION.

- a) In case of any failure of Permittee's physical plant, whether due to damage, age, lack of maintenance or any other cause, the City shall notify Permittee or Franchisee who shall, within reasonable time stipulated by the City, respond and repair such failed plant. Should the Permittee fail to act as required, or in cases where protection of public safety requires an immediate response, the City may take any required, corrective action and recover the costs of same from the Permittee.

- b) The Director shall give the Permittee sixty (60) days prior written notice of City's intent to revoke the Permit under the provisions of this Ordinance stating the reasons for such action. If the Permittee cures the stated reason within the sixty (60) day notice period, or if the Permittee initiates efforts satisfactory to the City to remedy the stated violation, the City shall not revoke the Permit. If the Permittee does not cure the stated violation or undertake efforts satisfactory to the City to remedy the stated violation then, after granting the Permittee an opportunity to be heard in person or in writing, the Council may revoke the Permit.
- c) In the event the Permit is revoked, all facilities located in the Rights of Way or located upon Public Property pursuant to this Permit shall be removed from the streets and public places of the City at the sole expense of the Permittee.

SECTION THIRTEEN: RESERVATION OF RIGHTS.

- a) Nothing in this Ordinance shall be construed to prevent the City from constructing, maintaining, repairing or relocating any City utility, communications or like facilities; grading, paving, maintaining, repairing, relocating or altering any street or Right of Way; or constructing, maintaining, relocating or repairing any sidewalk or other public work or improvement.
- b) Nothing in this Ordinance should be construed so as to grant any right of interest in any Right of Way or Public Property other than that explicitly set forth herein or in a Permit.

SECTION FOURTEEN: STREET VACATION.

Unless preempted by state or federal law, in the event any street or Right of Way used by a Permittee or Franchisee shall be vacated by the City during the term of any Permit granted pursuant to this Ordinance, the Permittee shall, at the Permittee's expense forthwith remove its facilities therefrom unless specifically permitted by the City to continue the same or such continuance of use is permitted by state law, and upon the removal thereof, restore, repair, or reconstruct the area where such removal has occurred to a condition materially equivalent to that existing before such removal took place. In the event of failure, neglect or refusal of the Permittee after thirty (30) days written notice by the City to remove the facilities or to repair, restore, reconstruct, improve, or maintain such vacated areas, the City may, if in

accordance with applicable law, do such work or cause it to be done, and the cost thereof as found and declared by the City shall be paid by the Permittee as directed by the City and collection may be made by any available remedy.

SECTION FIFTEEN: TEMPORARY MOVEMENT OF FACILITIES.

In the event it is necessary temporarily to move or remove any of the Permittee's wires, cable poles, or other facilities placed pursuant to this Ordinance, in order to lawfully move a large object, vehicle, building or other structure over the streets of the City, upon two (2) weeks written notice by the City to the Permittee, the Permittee shall, at the expense of the Person requesting the temporary removal of such facilities, comply with City's request.

SECTION SIXTEEN: FORECLOSURE AND RECEIVERSHIP.

- a) Foreclosure. Upon the foreclosure or other judicial sale of the Permittee's facilities located within the Right of Way, the Permittee shall notify the City of such fact and its Permit shall be deemed void and of no further force and effect.

- b) Receivership. The City shall have the right to cancel any Permit granted pursuant to this Ordinance subject to any applicable provisions of law, including the Bankruptcy Act, one hundred and twenty (120) days after the appointment of a receiver or trustee to take over and conduct the business of the Permittee whether in receivership, reorganization, bankruptcy or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of said one hundred and twenty (120) days, or unless:
 - 1) Within one hundred and twenty (120) days after his election or appointment, such receiver or trustee shall have fully complied with all the provisions of this Ordinance and the relevant Permit and remedied all defects thereunder; and
 - 2) Such receiver or trustee, within, said one hundred and twenty (120) days, shall have executed an agreement, duly approved by the Court having jurisdiction in the premises whereby such receiver or trustee assumes and agrees to be bound by each and every provision of this Ordinance and the relevant Permit.

SECTION SEVENTEEN: NONENFORCEMENT AND WAIVERS BY CITY.

The Permittee and Franchisee shall not be relieved of its obligation to comply with any of the provisions of this Ordinances by reason of any failure of the City to enforce prompt compliance. However, the Director may in individual instances and upon a request in writing establishing hardship and for good cause shown waive, in writing, any requirements of this Ordinance.

SECTION EIGHTEEN: CONTROLLING LAW.

This Ordinance shall be construed and enforced in accordance with the Constitution and laws of the State of Ohio.

SECTION NINETEEN: CAPTIONS.

The captions and headings in this Ordinance are for convenience and reference purposes only and shall not affect in any way the meaning or interpretation of this Ordinance.

SECTION TWENTY: PENALTIES.

- a) In addition to any other penalties set forth in this Ordinance, and the remedy of specific performance, the following penalty shall apply:
 - 1) For failure to comply with any provision of this Ordinance, the penalty shall be a civil forfeiture, payable to the City, in the amount of up to One Hundred Dollars (\$100.00) per day for each day of violation.
- b) Any Permittee may be excused for violations of the Ordinance and its Permit for reasons of Force Majeure.

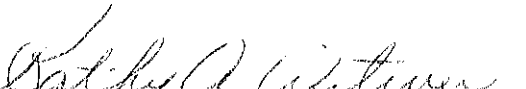

SECTION TWENTY-ONE: OPEN MEETINGS.

The City of New Franklin finds and determines that all formal actions of this Council concerning and relating to the adoption of this Ordinance were taken in open meetings of this Council and any deliberation of this Council and any other Committees that resulted in those formal actions were in meetings open to the public, in compliance with all legal requirements.

SECTION TWENTY-TWO: EMERGENCY CLAUSE.

Council declares this to be an emergency immediately necessary for the preservation of the public peace, health, safety and welfare of the citizens of New Franklin. Provided that this legislation receives the affirmative vote of three-fourths of the members elected or appointed to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise, it shall take effect and be in force at the earliest time allowed by law.
